3 **IR-4:**

4 Reference NSPI response to IR-1(a)

5 The response simply states the amount of the EUC contract. Please provide the Board
6 with complete details on the derivation of this price. Include in your response:

- 7 • All backup calculations leading to the contract price.
- 8 • Any documents describing the scope of work for this project.
- 9 • Copies of any correspondence, meeting minutes, e-mails, etc, between the
10 parties leading up to the preparation of the estimate.
- 11 • Whether this project is classified as distribution or transmission under the PLT
12 agreement and the reasons for such classification.
- 13 • The total hours of work estimated for this project and the hourly rate for the hours
14 plus all available backup material to substantiate the work hour estimate. If the
15 hourly rate varies by the type of work performed, provide details on the estimated
16 hours for each hourly rate.
- 17 • Any additional information that would be helpful in providing further justification
18 for the contract estimate.

19
20 **IR-5:**

21 Reference NSPI response to IR-1(b)

22 Please provide complete details on how the estimated hourly rate (as quoted in the
23 estimate table in the NSPI application) is derived from the PLT agreement.
