Re: Renewable Energy Feed In Tariffs – BRD-E-R-10 / Matter No. Mo3632

Dear Ms. Friis:

Further to the Board's correspondence of April 22, NS Power is re-filing Attachment 1 of its 2012 COMFIT report so as to include columns referencing the additional information required by the Board. NS Power notes that there were no COMFIT projects in service in 2012.

Yours truly,

Nicole Godbout
Regulatory Counsel
