Dear Ms. McNeil:

Re: NSPI General Rate Application 2006;
Formal Interventions and Preliminary Issues List

In response to the request circulated by you on behalf of the Board earlier this month requesting notice of intention to formally intervene in the upcoming General Rate Application filed by Nova Scotia Power Incorporated, currently scheduled to be heard January 22, 2007, I am writing to indicate that Dalhousie Legal Aid Service has been retained by four individuals and the Affordable Energy Coalition (AEC) who seek status as formal interveners in this proceeding. The individual residential consumers are: Peggy Brown, Laura Lannon, Wayne MacNaughton, and Karan Whiteman and both they and the AEC can be contacted through our office.

Regarding the Preliminary List of Issues of the Board forwarded in response to the filing by NSPI of the General Rate Application earlier this month, I enclose our response and proposal to the list of issues for consideration by the Board in this Application.

I also enclose a Notice pursuant to the *Constitutional Questions Act*, to be served on the Attorney General of Nova Scotia in relation to this matter.

I trust that this is satisfactory. If you require anything please don't hesitate to give me a call.

Sincerely,

Claire McNeil
