Subject: EAC intervention in Rate Case

Hi Nancy,

The EAC would like to be listed as interveners in the rate case. I cannot seem to find a form to sign in my files.

Please list myself and Gerry Ternan as representatives for the EAC. Our address and info is below. And Gerry's e-mail address is cc'd.

We do not intend to sign confidentiality agreements for this hearing at this time, and do not feel that we need transcripts.

thanks,
Brendan Haley
