Dear Ms. McNeil:

**Re: NSPI General Rate Application 2006;**
**Formal Interventions and Preliminary Issues List**

In response to the request circulated by you on behalf of the Board earlier this month requesting notice of intention to formally intervene in the upcoming General Rate Application filed by Nova Scotia Power Incorporated, currently scheduled to be heard January 22, 2007, I am writing to indicate that I have been retained by Denise Boulter who seeks status as a formal intervener in this proceeding. Ms. Boulter can be contacted through my office.

Regarding the Preliminary List of Issues of the Board forwarded in response to the filing by NSPI of the General Rate Application earlier this month, I enclose our response and proposal to the list of issues for consideration by the Board in this Application.

I also enclose a Notice pursuant to the *Constitutional Questions Act*, to be served on the Attorney General of Nova Scotia in relation to this matter.

I trust this is satisfactory.

Yours truly,
