Subject: Nova Scotia Power Corporation Rate Hearing Monday January 22nd 2007.

Nancy McNeil,
Regulatory Affairs Officer/Clerk
Nova Scotia Utility and Review Board
3rd Floor, Summit Place
1601 Lower Water Street
Halifax, Nova Scotia B3J 3P6

Dear Ms. McNiell,

The purpose of this e-mail is two-fold:

First, to request "formal standing" at the subject-noted hearing, and

Second, to request your help in obtaining past decisions of the Board responding to **rate of return on equity** requests by owners of Nova Scotia's electricity system in past years. I would like to review all the rate of return on equity requests and the resulting Board decisions since the days of Nova Scotia Light and Power...let's make it an even 50 years which would put the start date of the review about 1956 or 1957.

Since the notice I read in today's paper was that October 31st was the deadline for requesting "formal standing" I would appreciate a confirmation of having received this request tomorrow October 31st.

Thank you,

Duncan MacAdams, B.Eng. (Mech.)
