Re: Nova Scotia Power Inc. – 2016-2018 Demand Side Management Resource Plan – M06733

Dear Ms. Friis:

NS Power requests the following print exceptions for the 2016-2018 DSM Information Requests (IRs):

EOne IR-12: Attachments 1-4

The referenced files contain modeling data (linked Excel spreadsheets) with hundreds of lines of numeric data. If provided in PDF/print format, the information would become unusable. Accordingly, NS Power is requesting Board approval to provide these files in electronic Excel format only.

Yours truly,

Carly Currie
Regulatory Project Manager
