Re: M06733 – EfficiencyOne – 2016-2018 Demand Side Management ("DSM") Plan - E-ENSC-R-15

Dear Ms. Friis:

As outlined in NS Power's letter dated May 19, 2015, NS Power made corrections to the Company's Evidence when submitting its responses to the Information Requests (IR).

Although the corrections were made within NS Power's IR responses, for ease of reference and to avoid confusion throughout the remainder of this proceeding, NS Power is submitting a revised version of its Evidence reflecting each of these corrections. The specifics of the corrections to the Evidence are outlined in the Company's letter dated May 19, 2015 and are summarized as follows:

1. A revised Appendix B (which had been included at NS Power's response to EAC IR-7 Attachment 1).
2. Appendix A (included in NS Power's response to EAC IR-7 as Attachment 2 and Attachment 3 respectively):
 - Revised Table 6 at page 24 of 100; and
 - Revised Table 7 at page 25 of 100.
3. A revised Figure 3.4 at page 23 of 51 of NS Power's Evidence as set out in NS Power's

response to Multeese IR-6.

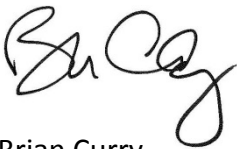

4. A revised Figure 4.1 at page 35 of 51 of NS Power's Evidence as set out in NS Power's response to Multeese IR-10(g).
5. A revised Figure 3.2 at page 18 of 51 of NS Power's Evidence removing Efficiency New Brunswick as set out in NS Power's response to SBA IR-14. Figure 3.2 appears in two other places in NS Power's Evidence, which were also updated:
 - Appendix A, page 16 of 100 – Figure 1; and
 - Appendix A – Attachment B, page 58 of 100 – Exhibit 2.

Please note, the correction to the New Brunswick 2015 Portfolio Costs noted in SBA IR-14 necessitated the following two additional corrections to Appendix A – Attachment B:

- Exhibit 5 at page 60 of 100 was revised to show New Brunswick's energy savings as a portion of domestic electricity sales at 0.3% (not 0.5%).
- Page 77 of 100 was revised to correct the 2015 first year cost for Efficiency New Brunswick as set out in NS Power's response to SBA-IR 14 and the savings/sales as set out in the revised Exhibit 5.

We trust you will find the above to be in order. If you have any questions or concerns, please contact the undersigned.

Yours truly,

Brian Curry
Regulatory Counsel
