Dear Mr. Gogan:

M06733 – EfficiencyOne – Application for Approval of a Supply Agreement for Electricity Efficiency and Conservation Activities between EfficiencyOne and Nova Scotia Power Inc., the establishment of a final agreement between the parties and approval of a 2016-2018 Demand Side Management ("DSM") Plan - E-ENSC-R-15

The Board has reviewed the attachments in question, #s 2, 3, and 5-8 inclusive. Efficiency One ("E1") states that these contain information which is commercially sensitive and proprietary to E1. In accordance with Board Regulatory Rule 12, before it determines how it will respond to E1's request, the Board requires E1 to provide a more detailed explanation for the request for confidential treatment. In particular, the Board asks whether the documents must be wholly confidential, or whether redaction of certain portions would be sufficient.

Please provide your comments to the Board no later than 2:00 p.m. on Monday, June 29, 2015.

Yours truly,

A handwritten signature in black ink, appearing to read "Doreen Friis".
