Attention: Doreen Friis, Regulatory Affairs Officer / Clerk

Dear Ms. Friis:

Re: M07543 – EfficiencyOne: 2016-18 DSM Plan Deferred Matters – Consensus Agreement

I am writing to update the Board with respect to our recent filing on outstanding matters deferred from the 2016-18 DSM Plan Hearing.

In accordance with the Board's direction, EfficiencyOne filed an update with respect to outstanding matters on Thursday, June 30th. Included in that filing was an Agreement reached among a number of parties relating to those outstanding items.

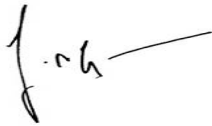

Subsequent to the filing, EfficiencyOne was notified by the Consumer Advocate that they were in agreement with the filed Consensus Agreement and indicated they would be executing the document. Additionally, EfficiencyOne received partial feedback from one Intervenor a short time prior to filing, as well as feedback from another Intervenor post-filing. EfficiencyOne is reviewing these additional comments internally, and has requested meetings with each of these Intervenors to further discuss their concerns.

Where further agreement can be reached with the above Intervenors, EfficiencyOne proposes to seek endorsement of the original signatories to the Consensus Agreement and file an amended Consensus Agreement with the Board.

EfficiencyOne requests approval to continue this process on the understanding that it will file either an amended Consensus Agreement or confirm that it will rely upon the currently filed document, on or before July 21, 2016.

Respectfully,

THE BRETON LAW GROUP
