Dear Ms. Friis and Ms. Henwood –

This is to inform you that the Affordable Energy Coalition will participate as an intervenor in the paper hearing regarding M08604, EfficiencyOne's Application for Approval of DSM Supply Agreement and 2019 DSM Plan.

Claire McNeil and I will represent AEC in the hearing.

NB: This morning I noted that you appear to have used an older list of names to circulate the notice of hearing to. You have Catherine Abreu representing Ecology Action Centre. She was replaced by Emma Norton and Stephen Thomas a long while ago. I have replaced her name with theirs in this email and will separately alert them to today's deadline.

Thank you

Brian Gifford
