

NOVA SCOTIA UTILITY AND REVIEW BOARD

IN THE MATTER OF: an Application by EfficiencyOne for approval for the use of measure-level Non-Energy Benefits within the context of Cost-Effectiveness testing associated with future Demand Side Management (DSM) planning regulatory processes

NOTICE OF INTENTION TO INTERVENE

Take Notice that Nova Scotia Power Inc. (NS Power) intends to intervene in this proceeding.

NS Power is a regulated public utility engaged in the generation, transmission and distribution of electrical power to approximately 500,000 customers in Nova Scotia. NS Power is a public utility within the definition of the *Public Utilities Act* (Nova Scotia).

NS Power's interest in this proceeding is as a public utility which is required under the *Public Utilities Act* (Nova Scotia) to undertake certain cost-effective electricity efficiency and conservation activities by entering into an agreement with EfficiencyOne for the supply of electricity efficiency and conservation activities.

NS Power wishes to have formal standing as an Intervenor and reserves the right to present evidence, cross-examine witnesses and make submissions.

Contact information for NS Power with respect to this proceeding is as follows:
