Dear Ms. Henwood,

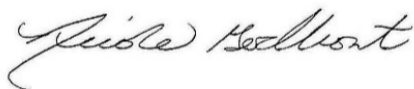

Re: P-884 - M08929, 2020 Integrated Resource Plan

Nova Scotia Power is pleased to enclose its 2020 Integrated Resource Plan (IRP) Final Report, *Powering a Green Nova Scotia, Together*.

The 2020 Integrated Resource Plan puts forward Nova Scotia Power's long-term strategy for delivering safe, reliable, affordable and clean electricity to customers across Nova Scotia through its commitment to supporting provincial decarbonization goals.

Nova Scotia Power began engagement with interested parties in May 2019 and has worked closely with the Nova Scotia Utility and Review Board staff and consultants, customer representatives, and other interested parties since that time to incorporate a broad range of inputs and views into the IRP analysis. NS Power would like to express its sincere appreciation to all these participants for this sustained and constructive engagement.

Yours truly,

Nicole Godbout
Director, Regulatory Affairs
