Dear Ms. Friis:

M09096 - IN THE MATTER OF AN APPLICATION by EfficiencyOne (E1) to the Nova Scotia Utility and Review Board for Approval of Supply Agreement for Electricity Efficiency and Conservation Activities between E1 and Nova Scotia Power Inc. (NS Power), the establishment of a final agreement between the parties, and approval of a 2020-2022 Demand Side Management (DSM) Resource Plan

The Small Business Advocate has reviewed the report from EfficiencyOne concerning multi-unit residential buildings and has no concerns with the findings. The inclusion of natural gas in the comparison before considering VRF measures is a positive change.

Yours very truly,

E. Nelson Blackburn, Q.C.
