EfficiencyOne's Performance Alignment Study

The Nova Scotia Utility and Review Board ("Board"), in its Order dated September 16, 2019, directed EfficiencyOne to conduct a study of its historic underspending of planned Demand Side Management budgets and historic exceeding of energy savings targets.

EfficiencyOne engaged the firm of KPMG to complete this study ("Study") in accordance with the Board's direction.

The Study was to be filed by March 31, 2020. On March 26, 2020, EfficiencyOne requested an extension to the filing date to April 21, 2020. The Board approved EfficiencyOne's request for an extension directing that the Study be filed on, or before, April 21, 2020.

EfficiencyOne is pleased to enclose:

1. *EfficiencyOne Performance Alignment Study* authored by KPMG;
2. EfficiencyOne's Cover Report addressing key points raised in the *EfficiencyOne Performance Alignment Study*.

In accordance with the Board's communication of March 20, 2020, relating to its COVID-19 Temporary Administrative Measures, paper copies of this filing will not be provided unless requested by the Board.

Respectfully
