Attention: Crystal Henwood, Regulatory Affairs Officer / Clerk

Dear Ms. Henwood:

RE: EfficiencyOne 2023-2025 Demand Side Management ("DSM") Plan Application

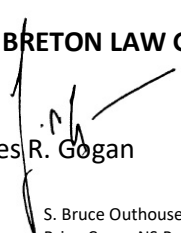

EfficiencyOne ("EOne") had previously indicated its intention to file its 2023-2025 DSM Plan Application ("Application") on February 28, 2022.

In an effort to reach consensus on certain issues related to the Plan, EOne has consulted with various Stakeholders throughout the Plan development process. This process has been beneficial in building alignment. EOne believes that the Application issues may be further narrowed through planned discussions with Stakeholders this week.

To allow for these continued discussions, EOne is requesting consent of the Board to extend the filing date of its Application to March 4, 2022.

Respectfully,

THE BRETON LAW GROUP

James R. Gogan
