Attention: Crystal Henwood, Regulatory Affairs Officer / Clerk

Dear Ms. Henwood:

Re: M10473 – Application by EfficiencyOne for Approval of the 2023-2025 DSM Resource Plan and Supply Agreement

Errata

EfficiencyOne (EOne) filed its Application for Approval of the 2023-2025 DSM Resource Plan on March 11, 2022. On April 14, 2022, Intervenors filed Information Requests to both EOne and Nova Scotia Power Inc (NS Power). EOne and NS Power will file IR responses on Friday, April 29, 2022.

In preparing responses to IRs, EOne has discovered certain errors in its Application which require correction. The Errata enclosed herein is intended to correct these errors, the particulars of which are further described below.

In preparing its response to Synapse IR-13, EOne identified an error in Table 9 (specifically CET results) of Appendix A which was filed on March 11, 2022. The same error was present in Tables 31 and 33 of Appendix A. EOne has corrected the error in all three tables noted above. The corrected pages are included in the Errata:

- Appendix A, Page 40 of 149, Table 9: redline and corrected page is attached;
- Appendix A, Page 82 of 149, Table 31: redline and corrected page is attached;
- Appendix A, Page 84 of 149, Table 33: redline and corrected page is attached.

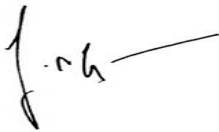

In responding to Synapse IR-27, EOne identified that cost data in Figures 3 and 14 of the Demand Response Roadmap did not match cost data in Tables 2 and Table 12 respectively. EOne has corrected both Figures to match the data in the Tables and the corrected pages are included:

- Appendix A, Attachment 5, Page 9 of 58, Figure 3: updated to match the cost data in Table 2. Redline and corrected page is attached.
- Appendix A, Attachment 5, Page 28 of 58, Figure 14: updated to match the cost data in Table 12. Redline and corrected page is attached.

I confirm 5 paper copies of this Errata will be delivered to the Board office for filing.

Respectfully,

THE BRETON LAW GROUP
