Re: M10504 - IRP Evergreen Update (P-884)

Dear Ms. Henwood:

By letter dated October 31, 2022, Nova Scotia Power Incorporated (NS Power, Company) advised the Nova Scotia Utility and Review Board (NSUARB, Board) that it would provide an update on the evergreen process by December 31, 2022.

NS Power had anticipated providing an update to stakeholders on its progress and next steps in the IRP evergreen process by the end of Q4 2022. The Company requires additional time to finalize materials for release. Accordingly, the timing of the next IRP evergreen update will be adjusted to January 13, 2023.

All correspondence in relation to this matter should be directed to my attention.

Yours truly,

Brian Curry,
Senior Director Regulatory
