Dear Mr. Gogan:

M11630 - EfficiencyOne – 2023 DSM Annual Progress Report and 2023 DSM Evaluation Reports

In its letter dated August 1, 2024, regarding the 2023 DSM Annual Progress Report and 2023 DSM Evaluation Reports, the Board directed EfficiencyOne (EOne):

...to include the reports as an agenda item at its next session with the DSMAG, where Mr. Gil Peach will be available to respond to questions by participants. EOne is also directed to file a summary report of the outcomes with the Board within three weeks following that session.

On November 20, 2024, the Board received EOne's Summary Report and Attachment A: E1 Reply to Stakeholder comments [October 24, 2024].

The Board members considering this matter are Richard Melanson, LL.B., and Steven M. Murphy, MBA, P. Eng. and Julia E. Clark, LL.B. The Board has no comments on the above filing and encourages continued discussion in the DSM Advisory Group.

Yours very truly,

Crystal Henwood
Regulatory Affairs Officer/Clerk

c. William Mahody K.C., Board Counsel
