Re: M11764 10-Year System Outlook Report IRs

Dear Ms. Henwood:

Enclosed are Nova Scotia Power Inc.'s (NS Power, Company) responses to information requests (IRs) pertaining to the filing referenced above.

These IRs were received on August 28, 2024.

CA IR-3 Attachment 1 is a risk register and confidential due to commercial sensitivity, consistent with the confidentiality applied to NS Power's BESS risk register filed in NSUARB IR-10 Attachment under M11539.

The response to CA IR-4 contains fuel prices and is partially confidential due to commercial sensitivity of the redacted figures, consistent with established FAM confidentiality justifications.

Yours truly,

Mark Peachey, LL.B.
Manager, Regulatory System Planning & Innovation
