Dear Ms. Henwood:

Re: M11927 - Ruth Falls Main Dam Refurbishment ATO

Attached please find a revised version of the Information Requests of the Consumer Advocate, which were filed on November 12, 2024. The Information Requests have been revised in order to redact information that NSPI advises was included in the public version of the Application in error. The Consumer Advocate asks that the revised version of its Information Requests be substituted in the public record of this proceeding for the version filed on November 12, 2024.

Thank you.

Yours truly,

David Roberts
