To Mr. Gogan:

M12186 – EfficiencyOne – 2024 DSM Annual Progress Report and 2024 DSM Evaluation Reports

On March 31, 2025, the Board received EfficiencyOne's (EOne) 2024 DSM Annual Progress Report, along with the 2024 DSM Programs Evaluation Reports.

The Board received the "Savings Verification Review of Efficiency Nova Scotia Program Year 2024 Evaluation Results" report, prepared by H. Gil Peach & Associates LLC, on June 5, 2025.

The Board Members considering this matter are Richard J. Melanson, LL.B., Steven M. Murphy, MBA, P.Eng. and Darlene Willcott, LL.B.

In previous years, the Board referred these reports to the DSM Advisory Group (DSMAG) for review. However, because the Savings Verification Review was also submitted in matter M12249 (EOne's application to approve DSM Agreement amendments and the 2026 DSM Plan extension) any issues arising from the 2024 DSM Annual Progress Report, 2024 DSM Evaluation Reports, and the Savings Verification Report, may be addressed within the scope of that matter.

Yours very truly,

Crystal Henwood
Clerk of the Board
