NOVA SCOTIA ENERGY BOARD

To whom it may concern,

RE: M12247 - NOVA SCOTIA POWER INC.'s 2025 Evergreen IRP Action Plan and Roadmap Update

Please accept this letter as Notice of Intervention regarding the above Matter.

SWEB Development is a developer, owner, and operator of renewable energy projects throughout Eastern Canada, headquartered in Halifax, Nova Scotia.

As a developer, owner, and operator of wind and solar generation projects in Nova Scotia, SWEB is an integral member of Nova Scotia's IPP community and hopes to play a pivotal part in helping NSPI reach their goals related to renewable energy fuel mix in the near term, as well the future, as evidenced by SWEB's RBP awarded Weavers Mountain project.

As a renewable generator owner in Nova Scotia, SWEB requests Intervenor status on this Matter such that we may ensure renewable generation is adequately represented and modeled in the IRP, and to offer our view of the renewable energy supply market as it stands which will undoubtedly aid in planning a system centered around renewable energy.

SWEB appreciates the opportunity and is excited to take part in this important Matter.

Please direct all communication concerning this proceeding to the undersigned.

Sincerely,

Mason Baker, P.Eng.
Director of Technical Services
