Nova Scotia Energy Board
c/o Crystal Henwood, Regulatory Affairs Clerk
Transmitted electronically to: Crystal.Henwood@novascotia.ca

Dear Ms. Henwood,

RE: NSEB Matter No. M12247 – Nova Scotia Power Inc. – Evergreen IRP Action Plan & Roadmap Update

Please accept this letter as written notice that Marine Renewables Canada wishes to participate in the Nova Scotia Power Inc. – Evergreen IRP Action Plan & Roadmap Update (M12247).

Headquartered in Halifax, Marine Renewables Canada is the national association for tidal, offshore wind, wave and river current energy, representing a membership of technology and project developers, suppliers, utilities, Indigenous organizations, researchers, and communities. For further information, visit: www.marinerenewables.ca/

Communications regarding this Matter should be addressed to: Elisa Obermann, Executive Director, Marine Renewables Canada (elisa@marinerenewables.ca).

Best regards,

Elisa Obermann
Executive Director
