Re: M12273 – Board Inquiry into Nova Scotia Power’s Cybersecurity Incident

Dear Ms. Henwood:

In response to the Nova Scotia Energy Board’s (Board) letter in relation to this matter, dated July 14, 2025, as discussed with the Board’s counsel, Nova Scotia Power Incorporated will be seeking additional process clarification from the Board and therefore is requesting that the date to commence filing its monthly reports in this matter be extended until a future date to be determined by the Board once the process is confirmed.

Yours truly,

Judith Ferguson
