Dear Ms. Henwood:

Re: M12282 – New Benefit Cost Analysis Test

Attached please find Evidence prepared for the Consumer Advocate by Francis Wyatt of Green Energy Economics Group, together with Mr. Wyatt's resume.

As he states in his Evidence, this is the first time Mr. Wyatt has presented expert testimony to the Nova Scotia Energy Board or its predecessor Board.

The Consumer Advocate asks that the Board qualify Mr. Wyatt as an expert witness, able to provide opinion evidence on matters related to energy efficiency programs, including the assessment of the benefits and costs of such programs.

Thank you for your attention to this matter.

Yours truly,

David Roberts,
Consumer Advocate
