To arrange for the logistical setup of the hearing room, the Board directs that each party file with the undersigned Clerk the following information:

1. Provide the names of all persons representing the party that will be attending in person in the hearing room and sitting at the counsel tables. If you do not intend to attend the hearing at all, please also confirm. 2. That all parties identify for the Clerk of the Board by **2:00 PM Wednesday, August 27, 2025**, whether it is requesting that any of its witnesses appear virtually (i.e., online platform) rather than in person.
3. That any party who objects to the testimony of another party's witness being given virtually and requires the in-person attendance for cross-examination of that witness, must advise the Clerk of the Board and the other parties, along with the reasons for such objection, by **2:00 PM on Tuesday, September 2, 2025**.

Please note that virtual witnesses that have not attended previous hearings will be required to attend a practice session. The Board's hearing assistant will reach out to these participants and schedule the practice session. The practice session takes about 10 minutes.

Yours very truly,

Crystal Henwood
Clerk of the Board
