Ms. Henwood,

The Industrial Group was not a signatory to the partial consensus agreement, and in fact, only became aware of it when filed. We respectfully request a brief adjournment of the hearing start time to allow us time to consider the implications of the partial agreement and prepare our questions on it.

We'd propose a start time of 12:30. In order to preserve the remaining hearing time on Monday, we'd also propose that we not take a lunch break and instead take a couple brief breaks in the afternoon.

Thank you for considering this request.
