Re: M12298 Jennifer Eaton Complaint Reply – Extension Request

Dear Ms. Wallace:

On May 28, 2025, the Nova Scotia Energy Board (NSEB, Board) directed Nova Scotia Power Inc. (NS Power, Company) to file a response to a General Complaint submitted by Jennifer Eaton. The Board established a due date of June 11, 2025, for the reply.

NS Power is in the process of compiling its submission but requires additional time to do so. As such, the Company respectfully requests that the due date for the Jennifer Eaton Complaint Reply be extended to June 18, 2025, with the understanding that if the Company is able to complete and submit it before that date, it will do so.

If you have any questions or require any additional information with respect to this request, please contact the undersigned.

Kind regards,

Kathleen Murray
