Good afternoon Ms. Dennis,

Thank you for your inquiry.

Please note that this matter has now been formally opened with the Nova Scotia Energy Board (Board). As part of the Board's complaint process, a Board Member will review the file and determine whether additional information is required from you or from NS Power. If so, the Board will issue written information requests to the relevant parties.

At this stage, any documentation or information required to support the Board's review will be requested directly by the Board. NS Power will provide any documentation the Board deems necessary to reach a decision.

We appreciate your understanding and cooperation as the Board undertakes its review.

Regards,

Krysta

Thank you Krysta

I do have a question - please. Am I allowed to request documents from NS Power or do I request the Board make a request for documents that I feel are relevant to my Appeal?

I would like copies of the billing for this property since March 2018 until I switched the power to my name. Even though the account was in someone else's name (which I can provide) I did have consent to speak and action those accounts - there would be on record with NS Power.

Look forward to hearing back.

Thank you.

Sherry
