Re: M12413 – DRO Appeal – Bowser – IR Requests (3rd Set) – Extension Request

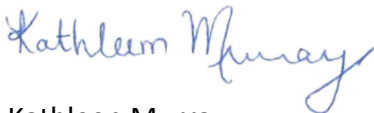

Dear Ms. Wallace:

On April 30, 2026, the Nova Scotia Energy Board (NSEB, Board) directed Nova Scotia Power Inc. (NS Power, Company) to file a third set of IR responses to a DRO complaint submitted by Adam Bowser. The Board established a due date of Thursday, May 14, 2026 for the responses.

NS Power is in the process of compiling its responses but requires additional time to do so. As such, the Company respectfully requests that the due date for the Adam Bowser DRO Complaint IR's (3rd set) be extended to Wednesday, May 20, 2026, with the understanding that if the Company is able to complete and submit it before that date, it will do so.

If you have any questions or require any additional information with respect to this request, please contact the undersigned.

Kind regards,

Kathleen Murray
Regulatory Counsel
