1 **Request IR-13:**

2 Assuming s. 3.6.4(f) of NS Power's Regulations applies, are the customer's Lockeport (Account
3 # 0323557) and Louis Head properties in the same "Distribution Zone" as that term is defined in
4 the Regulations?

6 **Request IR-14:**

7 Assuming that the Legacy Net Metering Agreement for the customer's 5.58 kW system has not
8 been terminated, explain and show how NS Power would calculate the compensation owing to
9 the customer based on the 5.58 kW system (not the 9.42 kW system).
