Dear Mr. MacNeil:

M12450 - Southland Transportation Ltd. - 2025 Application to Amend Motor Carrier License P03357 - FW: Operating Authority for Private School

This matter has been reviewed by Roland A. Deveau, K.C., Vice Chair.

In certain circumstances, the Board is prepared to approve an application for "contract services" without public notice required under the Motor Carrier Act provided the contract was issued pursuant to a public Request for Proposals (RFP) or tendering process. The Board requests that you explain the RFP or tendering process that occurred for these contract services. Specifically, please provide a copy of the notice or advertisement inviting proposals for these services and explain how the notice or advertisement was published or circulated.

In the absence of a public RFP or tendering process, the Board is required under the Motor Carrier Act to publish notice of your application in the Royal Gazette and, according to its normal practice, will circulate the notice to all motor carriers.

Yours truly,

Pamela McGarrigle
