Re: M12451 - Nova Scotia Power Inc. - 2026 General Rate Application (GRA) - Witness Panels

Dear Ms. Henwood:

Nova Scotia Power provides the following breakdown of its witness panels for the General Rate Application Hearing:

Panel #1 – Cost of Service

- Craig Flemming, Senior Director, Finance, NS Power
- Blake Williams, Senior Director, Regulatory Affairs, NS Power
- Michael Willett, Director, Regulatory Finance, NS Power
- Andrew Blair, Senior Consultant, Elenchus

Panel #2 – Depreciation

- Craig Flemming
- Blake Williams
- Michael Willett
- Jonathan MacIntosh, Director, Enterprise Asset Management, NS Power
- John Wiedmayer, Consultant, Gannett Flemming (*appearing virtually)

Panel #3 – Cost of Capital

- Craig Flemming
- Blake Williams
- Michael Willett
- Jim Coyne, Senior Vice President, Concentric Energy Advisors

Panel #4 – General and other Regulatory Matters

- Craig Flemming
- Blake Williams
- Michael Willett
- Jonathan MacIntosh
- Dragan Pecurica, Director, Energy and Risk Management, NS Power

By way of this letter, NS Power is seeking to confirm its understanding that Board Counsel evidence relevant to each panel will be called directly after NS Power's panel on the topic (i.e. Ms. Palmer from Synapse would follow directly after NS Power Panel #1 - Cost of Service). In NS Power's view this may be a more efficient order of events, would help to ensure clarity of the record, and reduce costs by eliminating the need for all experts to attend or be available for the duration of the hearing.

Yours truly,
