13 **Request IR-1:**

14 **Reference: Exhibit N-3, Direct Evidence, pages 95-96.**

15 (a) Please provide a detailed breakdown for the cost allocation methodology
16 (with tab and line reference to the study) and any changes made to the rate
17 design which is driving increases to the distribution adder charge proposed
18 for 2026 and 2027 for Large Industrial (distribution-connected), as
19 compared to the current 2025 charges.

20 (b) Please explain any methodology changes impacting the distribution adder
21 for Large Industrial customers.
