Re: M12451 Nova Scotia Power 2026-2027 General Rate Application

Dear Ms. Henwood:

Pursuant to Rule 12 of the *Board Regulatory Rules*, NS Reg 235/2005, NS Power requests confidential treatment of some of the Information Request (IR) Responses being filed in this matter. NS Power refers to the GRA request for Confidential Treatment filed with the NSEB on September 18, 2025 (NSEB Document 99396) for more detailed information about the justification for each type of confidentiality.

The categories of confidentiality are as follows:

- (1) **Commercial Information** – Includes fuel procurement information, confidential plant characteristics, customer-specific information, and internal budget information.
- (2) **Third-Party Information** – Information for which third parties have asserted confidentiality over proprietary cost and technical information or other information.
- (3) **Personnel Information** – Information related to employee compensation.
- (4) **System Security** – Information about existing or planned security measures.

The matrix setting out the specific IRs by intervenor and by category of confidentiality is set out below.
