Re: M12521 – NS Power’s Application for 2026 DSM Cost Recovery Rider (DCRR) - Confidentiality

Dear Ms. Henwood:

On October 22, 2025, NS Power filed its Application for Approval of the 2026 DCRR. This correspondence is the Company’s request for confidential treatment of certain Appendices in this Application that are filed in confidence. Attached to this correspondence is a Confidential Undertaking for the Board’s approval.

Confidentiality

Customer Specific Information

NS Power is seeking confidential treatment of the following on the basis that they contain customer-specific information:

- Partially Confidential Appendices A-1 and A-2, filed electronically, where confidentiality is denoted by gray shading within the electronic appendices.

In accordance with Board Regulatory Rule 12, the Company requests the Board approve the attached Confidentiality Undertaking and the confidential treatment of the information designated by the Company as confidential as described above.

The Company has prepared a redacted version of both Appendices and copied the customers taking service under the applicable Tariffs on this correspondence.

Questions or comments regarding this application should be directed to my attention.

Yours truly,

Michael Willett
Director, Regulatory Finance
