Dear Ms. Power:

M12558 - Nova Scotia Power Inc. 2025 – 2029 Five Year Reliability Plan Review – Extension Request

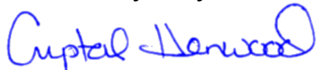

Further to the Board's letter dated April 22, 2026, accepting an extension request from NS Power, as Ms. Rubin has pointed out, the proposed tentative date for the technical conference (August 4, 2026) conflicts with a DSM hearing (M12780). Therefore, the Board has revised that date to August 11, 2026.

The Board has amended the timeline for this proceeding as follows:

Responses to Information Requests from NS Power	Friday, May 8, 2026
Draft Report by Synapse to participants	Tuesday, July 21, 2026
Technical conference	Tuesday, August 11, 2026
Participants provide feedback on Report	Tuesday, August 25, 2026
Filing of Final Report	Tuesday, September 22, 2026

The *Board's Regulatory Rules* will apply to this matter, including Rule 7(3) with respect to filing by **2:00 pm** on any date a document is due.

Yours very truly,

Crystal Henwood
Clerk of the Board
