Re: M12588 – CI C0053699 – Renewable to Retail Implementation – Information Requests – Extension Request

Dear Ms. Henwood:

Nova Scotia Power Inc. (NS Power, Company) received Information Requests (IRs) regarding the above-noted matter on January 26, 2026. The Nova Scotia Energy Board (NSEB, Board) established a due date of February 17, 2026 for the IR responses.

NS Power is in the process of compiling its responses but requires additional time due to resource availability. As such, NS Power respectfully requests that the due date for the NSEB IR responses in this matter be extended to March 3, 2026, with the understanding that if the Company is able to complete and submit its responses before that date, it will do so. NS Power understands that this change will have a corresponding impact on the remainder of the NSEB's schedule in this matter.

If you have any questions or require any additional information with respect to this request, please contact the undersigned.

Yours truly,

Lana Myatt
Senior Regulatory Analyst
