Re: M12593 - NS Power - CI C0053696 - ECC Wind Integration Project

Dear Ms. Henwood:

On December 9, 2025, the Nova Scotia Energy Board (NSEB, Board) provided the Independent Energy System Operator of Nova Scotia (IESO Nova Scotia) the opportunity to issue Information Requests (IRs) to Nova Scotia Power Inc. (NS Power) and provide comments to the Board regarding the above noted matter.

IESO Nova Scotia is writing the NSEB to advise that it has reviewed NS Power's capital project work order for CI C0053696 - ECC Wind Integration Project, and does not intend to issue IRs to NS Power or provide comments to the Board pursuant to the NSEB's process timeline.

Kind Regards,
