Re: M12619 – NS Power 2026 ACE Plan – Hearing Logistics and Panel

Dear Ms. Henwood:

On December 12, 2025, Nova Scotia Power Incorporated (NS Power, Company) filed the 2026 ACE Plan with the Nova Scotia Energy Board (NSEB, Board). By letter dated April 7, 2026, the Board asked the Company to provide a copy of its witness panels in the order in which they will be testifying at the hearing and to confirm if there are any objections to the testimony of another party's witness being given virtually.

Please accept the following as NS Power's 2026 ACE Plan Witness Panel:

- Panel Chair: Dave Pickles, Chief Operating Officer
- Trevor Beaton, Senior Manager, Strategic Asset Planning
- Lynne Drover, Senior Director, Power Production
- Jonathan MacIntosh, Director, Enterprise Asset Management
- Charlene MacMullin, Director, Reliability
- Erin Peachey, System Planning Specialist

NS Power does not object to the testimony of Mr. Wilson being delivered virtually.

Yours truly,

Jennifer Power
