Dear Ms. Wallace:

M12660 – NS Power – Natural Gas Report – November 1, 2024, to October 31, 2025

On December 24, 2025, Nova Scotia Power Inc. filed a Natural Gas Report that reviewed the period from November 1, 2024, to October 31, 2025.

The Board panel reviewing this matter consists of Stephen T. McGrath, K.C., Chair, Roland A. Deveau, K.C., Vice Chair and Steven M. Murphy, MBA, P. Eng., Member.

NS Power requested confidential treatment for parts of the report, which is consistent with previous filings, and certain information in the information request responses. The Board approves the request for confidentiality, noting the redactions are consistent with the direction in the Fuel Adjustment Mechanism (FAM) Plan of Administration and relate to fuel prices, supplier contracts, and commercially sensitive information on fuel planning.

The Board accepts the report as filed, with the understanding that natural gas activity remains subject to the FAM audit.

Yours truly,

Crystal Henwood
Clerk of the Board
