Subject: RE: M12661 - Nova Scotia Power - Application for approval of an Above-the-Line Tariff applicable to Port Hawkesbury Paper (PHP)
Date: August 28, 2026 2:54:48 PM

Good afternoon,

The Board intends to call upon the parties (and their witnesses) in the following sequence:

NS Power
Port Hawkesbury Paper
Consumer Advocate (Mahmudov/McLaren)
Industrial Group (Bowman)
Board Counsel (Synapse and Bates White)

When this matter was converted to an oral hearing, the Board determined it should reserve four days. Due to scheduling conflicts, it was not possible to schedule four consecutive days without unduly delaying the completion of the proceeding. So, the Board scheduled the matter for four days over two consecutive weeks (September 21, 22, 28 and 29).

At this stage, it is not clear whether all four days will be necessary. However, the Board considers it important to complete this matter as quickly as possible. As such, Mr. Bowman will be called immediately after the Consumer Advocate's witnesses have finished, whenever that happens to be. If that occurs very late in the day on the 22nd, and it is clear that the proceeding will need to resume on the 28th in any event, the Board may, at that time, consider holding Mr. Bowman's testimony until the 28th (if requested to do so).

Regards,
Crystal

Ms. Henwood,

While we had requested that Mr. Bowman be permitted to testify virtually, he is able to and will plan to attend in person on September 28 and 29 so we would respectfully request that his cross-examination be scheduled on those days.

Thank you.

Nancy
