Ms. Painting-MacLean,

On Wednesday afternoon, the CA contacted PHP regarding its response to Undertaking U-16. The CA noted that the description of Undertaking U-16 in the undertaking list provided by the Board on October 6th did not fully align with the undertaking as requested by the CA in the transcript. The CA requested that PHP re-file the response with specific reference to the request as stated in the transcript.

Accordingly, please see attached PHP's re-filed response to Undertaking U-16 as requested by the CA, with the additions to the original response underlined.
