3 Re: Community Solar Energy Credit Rider

- 4
5 a) Please confirm NSP is not proposing to change the existing Community Solar Energy
6 Credit Rider. If not confirmed, please explain in detail.

10 Re: NSPI (CA) IR-3 from Matter M11911

11
12 Please provide an update on the reasonableness of the assumptions used in preparing the response
13 to NSPI (CA) IR-3 from Matter M11911, including the assumption that program administration
14 would be self-funding. In the event any of the assumptions have changed materially, please provide
15 an update to the response.

19 Re: NSPI (IG) IR-3 from Matter M11911

20
21 Please provide an update on whether NSP has completed the enhancements to its billing systems
22 contemplated for 2025 as described in the response to NSPI (IG) IR-3 from Matter M11911. If
23 not, please discuss whether such upgrades are still required given the low volume uptake to date.
