Good afternoon,

Please note that NS Power would like to follow up regarding **M12714 – DRO Appeal – Jessica Pelley**, filed March 10, 2026.

Upon further review of Ms. Pelly's account, it was discovered that she was being billed for a streetlight since her connection of service in July 2024 until its removal, March 4, 2026.

The NS Power representative has corrected the bill and adjusted the charges going back to July 2024 to present.

A credit of \$341.33 has been applied to the account and will show on Ms. Pelly's next bill.

Regards,

Lisa Forsey
