Re: M12714 – DRO Appeal – Pelley – IR Requests – Extension Request

Dear Ms. Wallace:

On April 29, 2026, the Nova Scotia Energy Board (NSEB, Board) directed Nova Scotia Power Inc. (NS Power, Company) to file IR responses to a DRO complaint submitted by Jessica Pelley. The Board established a due date of Wednesday, May 20, 2026 for the responses.

NS Power is in the process of compiling its responses but requires additional time to do so. As such, the Company respectfully requests that the due date for the Jessica Pelley DRO Complaint IR's be extended to Tuesday, May 26, 2026, with the understanding that if the Company is able to complete and submit it before that date, it will do so.

If you have any questions or require any additional information with respect to this request, please contact the undersigned.

Kind regards,

Kathleen Murray
Regulatory Counsel
