Re: M12725 – NS Power 2025 Wholesale and Renewable to Retail Market Report – IR Responses

Enclosed are Nova Scotia Power Inc.'s (NS Power, Company) responses to information requests (IRs) pertaining to the referenced report above.

These IRs were received on April 23, 2026.

Confidentiality

IR-1 Attachment 1 is the NPCC Critical Infrastructure Protection (CIP) and Operations & Planning (O&P) Audit report. This report details critical energy infrastructure and Critical Information Protection with respect to NS Power operations. NS Power views such information as highly sensitive due to its applicability to system security, is used to inform the Company of operational planning, asset prioritization and other considerations, and not intended for the public domain.

NPCC has also specifically designated the report as confidential and not to be shared publicly. NPCC has given permission to share the report confidentially with the Nova Scotia Energy Board.

Any questions with respect to this matter can be directed to my attention.

Yours truly,

Jessie Wallace
Manager, Regulatory Strategic Planning and Innovation
