It has been MONTHS now... none of you have made a decision in this revolting case. NS Power still REFUSES to allow me to pay for what I am using now... they are letting the bill get higher and higher so they can charge me even MORE interest. I have NEVER, in my 70 years... ever had to deal with a more corrupt company than NS Power.

Why are you REFUSING to help me? All you do is tell me you are reviewing this claim. FOR MONTHS and MONTHS!!!!!!!!!!!! Seriously?

I do believe that you are part of the collusion to cheat me out of even more money.

If NS Power had done their job, which they did not, and billed me the CORRECT amounts for my invoices instead of LYING to me... I could have installed heat pumps last year and

avoided this FILTHY NIGHTMARE that NS Power is forcing me to endure.

NS Power LIED to me. Their plan apparently was to do that, to cheat me out of thousands of dollars... WHY ARE YOU ALLOWING THEM TO DO THIS????? NO, I am NOT paying them the THOUSANDS of dollars they cheated me out of... they are a corrupt company... you should be putting their CEO and board into jail for what they did to me.
