Dear Ms. Henwood:

RE: M12779 - NSP Maritime Link Inc. (NSPML) 2025 Financial Statements and Cost Containment Report Responses to Information Requests

Please see the attached NSPML's responses to the Information Requests in the above-noted matter.

Pursuant to Rule 12 of the *Board Regulatory Rules*, NSPML makes the following requests for confidential treatment of certain of its interrogatory responses. In respect of all of these requests NSPML anticipates that intervenor representatives wishing to review the subject responses will be provided with unredacted versions upon execution of the NSEB mandated confidentiality undertaking and in accord with the *Board Regulatory Rules*.

1. In respect of NSEB IR-7, NSEB IR-12 Attachment 7, NSEB IR-14 and NSEB IR-15 NSPML seeks confidential treatments as the responses contain commercially sensitive information. NSPML requests that the confidential information in these responses be held in confidence in order to preserve NSPML's ability to negotiate with counterparties in the best interest of customers.
